SEWER RATES)	

O R D E R

On January 2, 1985, Sanitation District No. II of McCracken County (McCracken County") filed an application with the Commission for approval to increase its sewer rates. On July 23, 1985, the Commission issued an Order that included rates which were considered fair, just and reasonable and which would produce revenues of \$171,427.

In Appendix A to that Order, by inadvertence a specific rate for Commercial, Institutional, and Governmental customers was erroneously given as \$18.34. Since each customer's rate would be based on a per residential equivalent, no single rate could apply to all customers in this class. Appendix A to the Commission Order of July 23, 1985, is withdrawn.

IT IS THEREFORE ORDERED that the rates in Appendix A to this Order be and they hereby are approved for service rendered on and after July 23, 1985.

Done at Frankfort, Kentucky, this 30th day of August, 1985.

APPENDIX A

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE
COMMISSION IN CASE NO. 9252 DATED AUGUST 30, 1985

The following rates and charges are prescribed for the customers in the area served by Sanitation District II of McCracken County. All other rates and charges not specifically mentioned herein shall remain the same as those in effect under authority of this Commission prior to the effective date of this Order.

<u>Customer Class</u>	<u>Rate</u>
Residential/Duplex (per unit)	\$ 8.30
Apartments (per unit)	6.22
Commercial, Institutional/ Governmental	* Per residential equivalent

* Commercial, Institutional, and Governmental rates are based on a per residential equivalent. The number of residential equivalents and/or fractional parts thereof shall be determined by dividing the customer's average monthly water consumption in gallons by 12,000 gallons. After the residential equivalent is determined, it is then multiplied by the residential rate to produce a rate for Commercial, Institutional, or Governmental customers. The minimum bill for this type service shall be \$8.30.
